Purpose

To provide training on communication skills and public speaking experience. We further purpose to afford each contestant an opportunity to earn a college scholarship. This is accomplished through completion of all required phases of the contest, conveying intellectual thinking, and confident delivery of an original written and oral presentation on the selected theme. The goal of the scholarship award is for students to receive financial assistance with tuition, books, housing and other related costs of attending an institution for higher education.

The FGBCI Senior Oratorical Contest will be held in person, on Saturday, May 4, 2024, at 10am. We have made several updates to this year's oratorical contest guidelines and rules. An overview of these updates are detailed in the following pages.
